POSITIVE PROFIT ALERT

This announcement is made by Tsaker New Energy Tech Co., Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025, the profit for the year ended 31 December 2025 of the Group is expected to be not less than RMB25.0 million, which would represent a significant increase by not less than RMB26.5 million, as compared to the loss for the year ended 31 December 2024 of approximately RMB1.5 million. Such increase was mainly attributable to the increase in the revenue and profit of the pigment intermediates and new materials segment of the Group due to the sustained demand growth in the downstream end market, which in turn had a positive impact on the profit for the year of the Group.

The information contained in this announcement is only based on a preliminary assessment by the Board based on the information currently available (including the unaudited consolidated management accounts of the Group for the year ended 31 December 2025), and is not based on any figures or information which have been audited or reviewed by the Company’s auditors or reviewed by the audit committee of the Company. Figures and information mentioned in this announcement are in the course of being considered and checked and are therefore subject to adjustments where necessary. The Shareholders and potential investors of the Company should refer to the Group’s annual results announcement for the year ended 31 December 2025, which is expected to be published before the end of March 2026, for details of the financial information and performance of the Group.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
